PRODUCT DESCRIPTION

Stealth's 15.6" Zero Bezel Panel Mount LCD Widescreen Display with multi-touch PCAP Touchscreen features a zero bezel, edge to edge design that eliminates dust and debris build-up at the edge and corners of the display.

Stealth's Zero Bezel Display is equipped with an environmentally sealed NEMA 4/IP65 front panel that is resistant to dust/dirt penetration or even liquid splashes. The Stealth model SVZ-1560-PM-PCT easily integrates into your enclosure, cabinet, console, wall, kiosks or other applications.

The Zero Bezel LCD series utilizes Projected Capacitive touchscreen technology (PCAP) allowing for a modern user interface thereby making use of new and extended ways of user input and control. Gesture-based interactions by touching and pointing, with one finger or more, rotate, pinch to zoom and move objects on the display.

From the factory floor to the stock market floor, this unit provides the touchscreen capabilities necessary for multiple fast-paced environments.

Stealth offers a wide range of Rugged LCD displays offerings that include Panel mount, Rack mount and Open Frame designs as standard off-the-shelf products yet customizable in 8.4″ up to 26″ diagonal sizes.
