

MODEL: SR-5000/5500 Datasheet

**5U High, Industrial Rackmount PC
with Integrated flat panel LCD display**

- Built-in 10.4", SVGA LCD Monitor
- 14-slot PCI/ISA backplane or Industry standard ATX Mainboard
- Pentium and AMD Processors.
- (3) 5.25", shock-mounted, external drive bays
- AC/DC Power Supplies w/ Redundant Options
- Front cooling fan & filter
- **2-Year Warranty**
- **CUSTOM BUILT - TO FIT YOUR EXACT REQUIREMENT**

SR-5000/5500 5U High, Industrial Rackmount PC

The **SR-5000/5500** series of industrial computers is ideal for applications that require a rugged, rack mount PC with a built-in 10.4" LCD Monitor and massive expansion capability. Systems are configured with industry standard ATX style mainboards or 14-slot ISA/PCI backplanes. Stealth builds extremely reliable products designed to work on a continuous 24 hour basis yet are priced to meet your budget.

SR-5000/5500 Specifications

- **Processors:**
Latest Intel & AMD Processors
Single or Dual Options Available
- **System Model Types:**
 - **SR-5000** - 14 Slot backplane
 - **SR-5500** - ATX main board configuration
- **Memory:**
256MB to 2.0GB DDR PC400
- **Hard Drive:**
80GB to 200GB+, IDE, SCSI
- **Optional Accessories**
 - Sliderrails
 - Fanless Power Supply
 - Removable Hard Drive Kits
- **Power Supply:**
High MTBF 110/220VAC, 400W Power
Dual Hot Swap Power Supplies
DC Power, 12, 24, 48, 125VDC
- **Enclosure:**
Constructed from 14 gauge Steel

- **Drive Bays:**
(3) 5.25", shock-mounted, external drive bays - standard
option:(2) 5.25", shock-mounted, and (2) 3.5", not shock-mounted, external drive bays
Front/Rear keyboard access
1.44 Floppy Disk
- **Storage:**
CD-ROM, CD-RW, DVD, DVD-R
1.44 Floppy, RAID, Removable Hard Drives
- **Display:**
Built-in 10.4", SVGA LCD Monitor
- **Video Adapter:**
64MB AGP for SR-5500 ATX version
64MB PCI for SR-5000 14 Slot Backplane version
- **Ports:**
 - 1 Serial
 - 1 Parallel port
 - 2-USB 2.0 Ports
 - 1 RJ45 10/100 BASE-T LAN Port
 - (RS-422/485, Firewire options)
 - PS/2 Keyboard and Mouse Ports
- **Operating System:**
Windows XP/Vista/2003 Server, LINUX
- **Options**
 - 64 Bit Processors
 - Touch Screens, Resistive standard
 - Removable drive shuttles
 - Storage Solutions, Tape, Optical etc.
 - Dual Processors & Multiple CPU Systems
 - Split Backplane Designs
 - Solid State Disk (Flash) (disk-on-chip)
 - RAID - High Availability Systems
 - BUILT TO ORDER!

- **Cooling Fans:**
Dual, 110 CFM Cooling Fan, Filtered
Card hold down bracket
- **Operating Temperature:**
Operating 0-60 C
- **Dimensions:**
8.75" H x 19.0" W x 18.0" D
(222mm x 483mm x 457mm)
- **Weight:**
approx. 40 lbs.
- **Warranty:**
2 Year limited warranty
